LETTER OF COMMENDATION

Criminal & Traffic Paralegal
THE CHOYCE LAW FIRM
1500 Webster St, Suite B
Fairfield, CA 94533

Dear Mr. Choyce,

Dear Ms. Navarro:

I am writing to formally express my sincere appreciation for the exceptional support and professionalism you provided during an extremely challenging period of my military service. Your assistance throughout my legal matter and the Veteran Treatment Court process in Solano County made a meaningful difference in my ability to navigate a complex and consequential process. What distinguished your work was not only your professionalism and knowledge of the legal process, but also the manner in which you worked with me as a client. You consistently communicated important information clearly, helped me understand what was expected of me, and provided timely assistance when questions or concerns arose. Your attention to detail, responsiveness, patience, and ability to keep the process organized were invaluable during a period of significant personal and professional stress.

I am particularly appreciative of the compassion and respect you demonstrated throughout my case. You treated me as an individual rather than simply as another case, and your willingness to assist, explain, and provide reassurance helped me remain informed and focused on fulfilling my obligations. Those qualities are a tremendous asset to both your clients and THE CHOYCE LAW FIRM. As President-Elect of the ASCE Sacramento Section, I have seen firsthand the importance of professionals and organizations that step forward to support members of their communities during difficult circumstances.

Your professionalism and commitment to client service demonstrated that same spirit of service. You and the team at THE CHOYCE LAW FIRM provided not only legal support, but also the confidence and reassurance necessary to navigate a difficult chapter in my life. I am sincerely grateful for your dedication, professionalism, and personal attention throughout my case.

You have my highest personal recommendation, and I would be pleased to share my positive experience with others who may require the assistance of a knowledgeable, compassionate, and dedicated criminal and traffic legal professional. Please accept my heartfelt

thanks for the outstanding work you do on behalf of your clients. Your professionalism, compassion, and commitment to excellence are sincerely appreciated.

Very Respectfully,
